Bill Description

This bill would require the Commissioner of human services to issue request for proposals for a continuous improvement study of access to disability services, report required, and money appropriated.

Assumptions

1. The department assumes the appropriation is available from July 1, 2024, until December 31, 2026.
2. The department assumes \$1 million in FY25 for the administrative resources to hire a contract to conduct a study for disability accessibility.
3. One MAPE 14L contractor coordinator will begin in FY25. Salary and fringe benefits are calculated using the most recent union contracts. This will cost approximately \$140,344 in FY25 and \$163,466 in FY26. This is a temporary position.
4. All administrative FTE are subject to federal reimbursement at a rate of 32%. This reduces the cost of the FTEs by \$44,910 in FY25 and \$52,309 in FY26.
